3 September 2019

Dear parents and carers,

I am delighted to have the opportunity to introduce myself as the new Principal at George Spencer Academy. The power of education is transformative to your child's future. My values centre on ensuring all children at George Spencer Academy will have the opportunity to shine and be the best they possibly can be. My motivation is to lead an academy that focuses on high quality education centred on high academic standards providing an environment that enables children to not only be successful at school but also develop as lifelong learners.

We will continue to build an environment that allows pupils to flourish, not just academically but also as well rounded young people who are globally aware, confident and ready to make a difference in the world.

We want all pupils at George Spencer Academy to benefit from being a member of our school community, to be taught by outstanding teachers and gain high quality qualifications. We will focus on individual needs and interests so that pupils are committed and engaged in school life. We will encourage pupils to work hard, achieve their potential and engage in opportunities outside of the classroom which will enhance their knowledge and experiences.

Creating positive relationships between the academy and parents and carers is central in supporting your child's journey through school. Over the coming months there will be opportunities for us to build a shared partnership. I will be holding a 'Meet the Principal' event as a starting point in our journey of collaboratively working; I hope you are able to attend it will be on Thursday 26 September at 6pm in the Conference Centre.

I am always delighted to meet parents individually and should you wish to speak to me directly please do not hesitate to contact my PA, Lynne Hoptroff, to make an appointment.

Yours sincerely

Mrs H Corbett  
Principal
