7th November 2019

Dear Parent/Guardian

Re: Challenge Day 2 Year 9 Health Education

I am writing to inform you that on the next Challenge Day on the 19th of November 2019 year 9 will be studying topics based on health education.

The two topics we are planning to cover are:

- Contraception Methods
- Sexually Transmitted Infections

These topics are part of the statutory curriculum, in their most recent guidance the DFE describe how 'young people need to know how to stay safe and healthy and how to manage their lives in a positive way'. These sessions are part of the school's commitment to delivering those outcomes for students. If you wish to know more about the content of these sessions then please do not hesitate to contact me via phone or e mail: jwebb@george-spencer.notts.sch.uk.

Yours sincerely,

Miss J. Webb
