Dear parents and carers

As you have probably read in the media, on Sunday the government will be sharing plans regarding a phased approach to re-opening schools. At this time we have not been informed of when or how schools will reopen.

After the announcement on Sunday we will be carefully planning our response in the same way we always do at George Spencer – with the students and our values at the centre of our decision making. We will be in touch with you later next week to share an update with you.

I thank you in advance for your support and patience as we embark on this next journey.

Yours sincerely

Mrs H Corbett
Principal
