

**Our Offers - Monday 15<sup>th</sup> June 2020 onwards**

1 June 2020

Dear parents and carers,

I hope you all continue to be staying safe. I would like to start by thanking you all for your continued support during these uncertain and changing times. We are grateful to all those who have contacted us to keep us informed of 'home life' and provide us with feedback on what is going well and what could be better. Our committed team of staff are working tirelessly to do our very best for every student.

Since my previous letter to you on 22<sup>nd</sup> May the government have now provided details and guidance for the face to face support for Year 10 and Year 12 students and set the expectation for this to be available from Monday 15<sup>th</sup> June for a quarter of the cohort at any time. I previously wrote of our belief in looking after our staff and our students and getting the offer right for them – this continues to be our driving force. At George Spencer Academy we are in a position to offer face to face sessions for **Year 12** week beginning **Monday 15<sup>th</sup> June (mornings)** and then for **Year 10** week beginning **Monday 22<sup>nd</sup> June (afternoons)**, with the two year groups alternating weeks. I know this will raise many questions with parents and carers of children in these cohorts and we have been working hard to produce structures, processes and documentation that will provide you with detail and clarity.

The face to face support for Year 10 and Year 12 does not mean that we will lose sight of the students continuing to learn remotely or those who require access to our In-School Offer. Both of these offers remain high priority and will sit alongside this new offer in terms of commitment from our staff.

Attached to this letter is an overview of all our offers including a summary of how each offer will operate. As per the attachment a named senior leader(s) will oversee the day to day management and act as the lead contact for each offer. This is to ensure we provide high quality support, guidance and communication. Each senior leader will be in touch, via letter over the coming week to provide the detail that surrounds the overview document attached. If, after reading the details you have further questions or queries we urge you to contact us and we ask that you do so via the named senior leader.

Yours sincerely

Mrs H Corbett  
Principal
